

**REMARKS**

The above amendment with the following remarks is submitted to be fully responsive to the Final Office Action of September 19, 2007. Reconsideration of this application in light of the amendment and the allowance of this application are respectfully requested.

Claims 1-10, 12, 21-27, 30, 31 and 33 stand rejected as obvious over Lat et al. in view of Rogers and White et al. Claim 32 stands objected to but allowable if written in independent form, while claim 11 stands allowed. Although Applicant asserts the rejected claims are allowable for all the reasons previously presented and others, in the interest of efficiency and in order to expedite this case to allowance, in response to the Office Action, claim 30 is hereby amended to include all the limitations of dependent claim 32, while claims 1-10, 12, 21-27, and 31-32 are hereby canceled. Therefore, claims 11, 30, and 33 are now pending in the present application and are believed to be in proper condition for allowance.

In view of the foregoing, it is submitted that the present application is in condition for allowance and a notice to that effect is respectfully requested. However, if any issue remains after considering this response, the Examiner is invited to call the undersigned to expedite the prosecution and work out any such issue by telephone.

Respectfully submitted,
